REALITY OF THE SITUATION

SHAVED TRACES

...so I'll have the strength to never fall until the very end!

Then I'll run a lot...

For now, until it's time for the next tournament.

I'll develop a new signature move that will astonish anyone!!

OKAY! THEN I TOO,

NEED TO DO MY BEST TO NOT LOSE TO YOU TWO!

I was worried when they joined me...

...But it looks like I was worrying for no reason...

This is great...

Not really...
Chitose-san should focus on getting her first victory for now instead..!

I'LL DEFINITELY DO IT!!

And my focus is...

...this deep desire to win my first tournament!!

THE LATE GIRL

TL NOTE: YOU WILL NOT UNDERSTAND THIS PAGE, SO STOP READING THIS BEFORE YOU START READING THE WEBST. THE REASON THAT KOTONE WILL USE INVOLVES THE REASON FOR IT (KNOWING IN JAPANESE) WHICH CAN MEAN BOTH "TO GO" AND "TO GO" - THE JAPANESE WILL BE THAT KOTONE EXPECTS KURENA TO "TRAVEL" UNTIL SHE REACHED HER "LIMIT" - BUT KURENA THINKS IT IS "TRUE" UNTIL SHE REACHED HER "LIMIT" - LIMIT COULD BE A SPARKING FOR CLIMAX
